

## Planner's Moments DVD Video-Series Subscription Form

Subscription costs for the DVD video-series are for the sole purpose of perpetuating the sustainability of the *Planner's Moments* DVD video-series in the future. The annual subscription cost structure is broken into two tiers:

- **Tier 1 Subscription Cost Structure:** For the rate of \$300 per year, an all inclusive package containing a new *Planner's Moment* DVD installment as well as the associated hard-copy supplementary resource materials will be provided to your planning commission each month.
- **Tier 2 Subscription Cost Structure:** For the rate of \$120 per year, a new *Planner's Moment* DVD installment will be provided to your planning commission along with email access to a PDF document of the supplementary resource materials each month.

Future installments in the *Planner's Moments* video-series include:

- Access Management Planning;
- Affordable Housing;
- Agriculture and Zoning;
- Creating Active Communities;
- Density;
- Farmland Protection;
- Growth Boundaries;
- How to Conduct an Effective Public Hearing;
- Joint Planning;
- Why Master Plans Sit on the Shelf.

Thank you for your efforts to utilize available resources to plan for the sustainable and prosperous future of our region. If you have any questions or would like to subscribe, please feel free to contact the NWMCOG at 231-929-5056. Please fill out and return the attached subscription form **in any case** regarding program participation, as your input is vital to the future relevance of the Planner's Moments program.
